Attorney at Law  
P.O. Box 8930

Dear Mr. Habern:

This is in response to your correspondence addressed to Missy McDaniel dated April 7, 2015 regarding your client taking a sexual history polygraph.

We only conduct polygraph testing for therapeutic and clinical reasons: however, your client may invoke his Fifth Amendment right and not provide information about "uncharged but potentially possible criminal events."

I hope this answers your question about this case. Should you have any questions, please feel free to contact me.

Sincerely,

A handwritten signature in cursive script that reads "Ervin Toliver".
